

## **Announcement of 2020 Chinese-Speaking Students' Perfecting Training**

Dear brothers,

June 8, 2020

We praise the Lord for His blessing on the labor among the Chinese-speaking students in the past seventeen years. With the cooperation of the local churches, more than ten thousand students have been saved and baptized in North America during this period of time and have come into the church life in various degrees. According to Brother Lee's fellowship and leading in *Elders' Training*, Book 4, Chapter 10, we have been holding an annual one-week perfecting training to perfect these newly-saved ones in the aspects of truth, life, vision, and service.

In order to carry out this burden to produce these students as useful members of the Body, we feel that our perfecting of them should go a step further, especially for those who were small group leaders in the past perfecting trainings, those who are currently active on the campuses, or students who have demonstrated a strong desire to pursue and serve the Lord.

This year due to the pandemic, the annual Chinese-speaking students' perfecting training will be held online (Zoom) from July 18 to July 25. The weekend (7/18,19,25) will be for the serving ones, with the main burden according to the book "The Way to Practice the Lord's Present Move"; the weekday (7/20-7/24) will be for the students, with the main burden according to "Samuel the Nazarite".

We welcome any blending co-workers who have the burden and time to come to these trainings to perfect the serving ones and students. We hope you will pray concerning this burden and encourage the local Chinese-speaking students and their serving ones to register for these trainings. If the elders feel that anyone in their locality is not suitable for participation in this training due to their spiritual or physical condition, please let us know, as this will help us in our review of the applications. Thank you.

The co-workers overseeing the campus work on the Chinese-speaking students in North America

### **Registration details:**

Date: July 18 to July 25

Registration website: <http://mswel.org/training>

Cost: \$25 /person

Registration due date: June 28.
